WHAT IS GIYF?

Grow It Yourself Fixes (GIYF) is the greenest service under Yogi Fixes. What could be more fun than growing your garden in the desert city of Dubai?

Indulge in a wide array of home farming services curated and customized to suit your needs. Please sit back & sip on a piña colada while our team of professionals does all the work for you! You don't need a degree in botany either.

It will grow on you

THE BENEFITS OF ENGAGING IN HOME FARMING?

GO ORGANIC

Everybody knows that supermarket veggies are a big no-no! With GIYF, grow wholesome vegetables, fruits, and herbs and go organic! Your wallet and heart will thank us!

TAKE CONTROL

Avoid pesticides, chemical fertilizers, and other gross stuff with team GIYF. You get to choose the plants that you want to grow.

We use organic fertilizers & do away with pesticides. We make sure you eat all your greens (not smoke em!).

THERAPEUTIC BENEFITS

After a long scorching day, imagine returning home to your desert oasis, lush greenery, foliage, and fresh air. That's the beauty of having your own garden at home. We are to you, what Alfred is to Batman.

You make me so corny

SERVICES

If you have extra space at home & don't know what to do with it, listen up! You can choose from a wide variety of services to transform your home into a green heaven. ***The best part is, you do pretty much nothing.***

BACKYARD FARMING

Please don't panic; we won't make you grow potatoes on Mars. GIYF takes care of every nuance to help you grow the plants of your choice. GIYF is a real blessing for your inner couch potato.

MICROGREENS

Unleash your inner master chef & grow your selection of microgreens at home. Garnish your home cooking like a professional chef & make sure the kids eat healthily.

HYDROPONICS

Whether you know the science of hydroponics or think it's a sub-genre of techno music, we have you covered. You live in a desert, so use hydroponics to conserve water. Our team looks into all the complicated science stuff, so you have nothing to worry about!

CONTAINER GARDENING

If we scared you with the hydroponics, or if you want to keep things simple, container gardening is perfect for noobs. It's a great way to get started. Invest in a comfortable rocking chair & grab a beer! You're welcome!

We are rooting for you
